

## Bulk Personal Submission Method – DISCOUNT OPPORTUNITIES This is **ONLY** for 100+ card orders

BULK PERSONAL SUBMISSION FORMAT - Some notes before we get in to how to do this.

1. This applies to 100 cards or more submissions **ONLY**... You can submit as few as 20 BULK card in Bulk group submissions but this please do not use this method.
2. All 100 cards or more must be in the same level and the same era.
3. A PSA account is needed to participate, but a membership is not needed of any level.
4. A correct & perfectly completed submission form ( **with no errors at all** ) will receive a .50 per card discount off your order. Correct & Perfect means:
  1. Cards should be in order that is entered.
  2. Selected the proper card from the PSA populated list when applicable
  3. Cards should qualify for same level/era selected ( if you aren't a member of PSA this is one that you may make a mistake on)
  4. Cards all qualify for proper declared value limits. Please used research site to help in figuring out the proper declared value of an item.

How do it **Correctly**

1. Create an account with PSA (If you don't have one already)
2. Start a new submission
  1. If you have a subscription choose the proper level/era as it will make it easier for you.
  2. If you do not just choose **ECONOMY** regular and make sure you follow the appropriate rules.
  3. **Our DV (Declared Value) limits are - \$99 Bulk, \$499 20 Day Standard, \$999 10 Day Standard, \$2499 Express. Now it is \$199 for normal submissions but that has not been passed on to group submissions. If your cards are in the range of \$99-\$199 you can send them in our bulk with a \$99 DV on them. Items that graded well that exceed \$200 might get an up charged.**
3. Fill in the form as if you are submitting to PSA yourself.
4. Complete the form for PSA
  1. You must submit a payment method so you can get your submission #
  2. You will not get charged by PSA as we will be taking over the order and changing it.
5. Print the PSA form for your submission and mail it together with your package and mail it to us
6. Fill out our form by just putting your customer # and submission # in the list area
7. If you want to be safe copy/paste the form from PSA to the list area as well (not required but certainly a sanity check)
8. Send us your cards

Here's why you should do it. **DISCOUNT OPPORTUNITY**

1. Potential for .50 per card discount.
2. Using this method will jump your cards to the front of the BULK line to get in ASAP ( Saves you the 5 Day processing time and Save you some TIME & MONEY)
